Class 1 Teacher

Sark School is the only school on the beautiful island of Sark, the smallest of the four main Channel Islands and is an all age school with pupils from reception through to Year 11. The pupils work in three, mixed age classes of approximately 14 pupils and we are looking for an experienced teacher for our infant class, Class 1, with pupils from reception to Year 2.

The successful candidate is likely to have several years' experience teaching within foundation and Key Stage 1 and will need to:

- Be confident in leading teaching and learning within Foundation and Key Stage 1
- Be hardworking, energetic and ready to take on new challenges
- Enjoy working as part of a small team
- Be able to work independently, use their own initiative and be creative
- Work as part of the whole school team in developing the educational provision of the school
- Work effectively and positively with parents
- Willingly take part in the many community events in which the school participates
- Be an excellent classroom practitioner
- Relish the challenges of working on a small island where the school plays a significant role in the life of the community.

This is an exciting opportunity for the right person; working in line with English National Curriculum but completely independently of UK statutory requirements and Ofsted inspections, this is an opportunity for a teacher to work creatively to provide high quality and enjoyable education for our well behaved and enthusiastic pupils.
