NEW ROAD TRAFFIC LEGISLATION

Dear Resident

The Committee has made the two new draft Road Traffic Laws available for consultation either as hard copy through the Committee Office or on-line at www.gov.sark.gg under the section marked Laws & Ordinances.

A number of responses have already been received and this is a reminder that feedback was requested by 3rd November.

If you are able to return comments by then so much the better but some people have asked for a public meeting to discuss the new legislation and in order to give a final opportunity for your views to be heard, the Committee is organising a public meeting on –

**Thursday 15th November at 5.30pm
in the Island Hall Board Room**

This will have to be the last opportunity as any alterations to the draft Laws need to be made by the Law Officers at St. James' Chambers so the final draft can meet the deadline for papers on 10th December forming part of the Christmas Chief Pleas agenda.

SARK ISLAND-WIDE SURVEY

Dear Resident of Sark

Many of you have already completed the survey questionnaire sent out on the 16th October and either returned it to the Committee Office or filled it in on-line. Whichever option you used, your contribution is now being analysed and I anticipate a set of results in the next few weeks which will give me a better understanding of the issues facing Sark and what you see as the priorities for action.

The return of the survey forms was requested by **Sunday 4th November** but I am aware the period for completion coincided with the fortnight of the school's half-term break and many people have been away. If you haven't yet had the opportunity to let me know your views, do please complete the form and send it in as late contributions can be included and it is important to obtain as many views and opinions as possible.

The option to complete the survey on-line remains via

<https://www.surveymonkey.com/s/R6F6SCL>

please reference the number on the top of your letter if completing on-line in order that we can keep track of the number of surveys filled in. Be assured that the information provided is confidential and cannot be related back to you.
