Dear Lt. Col. RJ Guille MBE

I thank you for your letter of the 13th March and the warm greetings from Sark; it is very much appreciated by us all.

The results of our referendum were unequivocal and our people have spoken loudly and clearly as to the future they wish for their homeland.

Not only was the result overwhelming but I also think that this could mark the beginning in a new chapter in our political development over the forthcoming years.

We are already venturing forth armed with the results of our referendum and visiting countries throughout the world, asking them to note the results and to respect the basic human rights of us Falkland Islanders to be allowed to determine our own future. I hope that they will listen.

I would be very grateful if you could pass onto the people of Sark our very best wishes.

Yours sincerely

The Hon. Gavin Short MLA
On behalf of Members of the Legislative Assembly
