

TROPICAL STORM DISASTER

The Seigneur and President of Chief Pleas have discussed a Sark response to the tragic events in the Philippines with tropical storm HIAYAN and it has been decided NOT to set up a specific Sark fund. Zoë Adams, the Sark Branch organiser for the **RED CROSS** has already put collecting containers around the village and who says that donations can be also be made to the NatWest Bank, for ‘**The British Red Cross**’.

Urgent assistance is needed for the huge area affected and a Sark only fund would mean a slower response in getting money to the disaster areas. Please help and be assured that all donations, no matter how big or small, will help provide immediate assistance to those in dire need.
