On Sunday, 17<sup>th</sup> November, 2013 a Table Top Exercise was held in Sark’s Island Hall.

The purpose of this exercise was to provide an opportunity for key personnel involved in responding to any possible major incident or emergency in Sark to discuss and agree a command and control structure.

The exercise was designed and co-ordinated by Mrs. Catherine Veron, (States of Guernsey Home Department Emergency Planning Officer) and involved members of Sark’s Emergency Services, relevant personnel and representatives of the Guernsey Police, St. John Ambulance and Rescue Service and the Guernsey Coastguard.

It proved to be a very worthwhile and informative day with positive points being raised to take forward.

Conseiller Helen Plummer, (Chairman of Sark’s Emergency Services Committee) thanked both Sark and Guernsey personnel for attending.
