

Letters from Class 2 of Sark School to Chief Pleas, following their attendance at the beginning of the Christmas sitting of Chief Pleas.

Dear Chief Pleas

Thank you for letting us come and see your meeting.

I found it very interesting. The funniest part was when Alfie came in and shouted all right. I never knew ladies had to wear hats

Dear Chief Plas

Thank you for letting us come to Chief Plas It was very interesting. The funniest bit was when Stefan Gornal had to say his bit but because he was so tall he could not reach the microphone and he had to bend down. I never knew that ladies had to wear Hats and men had to wear Suits.
