

PRESS RELEASE

POLICY & PERFORMANCE COMMITTEE

A COMMITTEE OF THE CHIEF PLEAS OF SARK

REPORT OF THE INDEPENDENT ELECTION OBSERVER

Policy & Performance Committee are pleased to receive Howard Knight's Report. The Chairman, Conseiller Charles Maitland said 'we welcome the report; it's evident that a lot of work has gone into it and we thank Howard for his diligence. The Sark Government felt it important to use Howard's expertise and experience to get an objective view. It is reassuring to know that Howard considered the fact that there were 16 candidates for 16 seats was happenstance; he also praised the arrangements for the election'.

The Committee thanks the many Sark residents who took the time to speak with Howard and contribute to his report.

The report contains recommendations which will be put to Easter Chief Pleas for discussion, and followed with wider consultation.
