

The Government of Sark

SUSTAINABLE, REASONABLY PRICED ELECTRICITY

POLICY DEVELOPMENT TEAM

COMMITTEE OFFICE, LA CHASSE MARETTE, SARK GY10 1SF

Telephone: (01481) 832118 E-mail: pdt.sustainable.electricity@gov.sark.gg

Dear Resident

SECURING SARK'S FUTURE (SSF) PUBLIC CONSULTATION

The priority within the Government policy SSF is to provide sustainable, reasonably priced electricity for the Island. The Sustainable, Reasonably Priced Electricity Policy Development Team (PDT) have brought the draft law "The Control of Electricity Prices (Sark) Law, 2016" to the Michaelmas meeting of Chief Pleas as part of the public consultation. The consultation includes providing every household with an Explanatory Memorandum which explains the Law and a residents meeting, and ends at **noon on Friday 21st October 2016**.

The Explanatory Memorandum is attached and the residents meeting to discuss the Law will be at:

**7 pm on Wednesday 12th October 2016
Main Hall, Island Hall**

The Sustainable, Reasonably Priced Electricity PDT welcomes comments on the proposed legislation, from as many Sark residents as possible.

The draft **Projet de Loi** and Explanatory Memorandum are both available on the Sark Government website, at www.gov.sark.gg (see Law & Ordinances). They are also available to view at the Committee Office during public opening times (Tuesday to Thursday 2.30 pm to 4.30 pm).

Please send your comments either by email or post to the above address.

Yours sincerely

Conseiller Hazel Fry
Team Leader Sustainable, Reasonably Priced Electricity PDT
