BANKSMAN AND CRANE DRIVERS

The Committee is seeking to increase the pool of people willing to drive the crane during the unloading of cargo from vessels at Maseline Quay or in Creux Harbour. The job is part time.

Full training will be given and regular refresher courses arranged to ensure the skills of those who only carry out a duty irregularly remain both competent and aware.

The Committee emphasises the importance of this work and the ability needed to carry it out.

The work will be under the direction of the Duty Harbourmaster.

Pay for trained crane driver is currently £17.15 per hour.

Please contact Jeremy La Trobe Bateman or Harbourmaster Jim Hodge for further details of the work.

The closing date is -

Midday on FRIDAY 23rd DECEMBER 2016
