

The Government of Sark

POLICY AND PERFORMANCE COMMITTEE

PRESS RELEASE

The Policy and Performance Committee announced that on Wednesday, 19th July 2017, The Control of Electricity Price (Sark) Law, 2016 was approved and ratified by Her Majesty. The two Petitions relating to this Law were dismissed.

Conseiller Hazel Fry said, “The Committee is pleased. This is good news for the residents of Sark and businesses who can now be assured the price they are paying is reasonable, this will help with promoting a healthy economy. It’s also good for the electricity supplier, and any suppliers in future, who can now expect a reasonable return for their services under the law.”

The Committee is currently advertising to appoint an Independent Electricity Price Commissioner to control the price of electricity on Sark.
