As you may already be aware Chief Pleas are commissioning a review to look at the future of education for Sark. The purpose of the review is defined as:

**To conduct a review of the provision of education for Sark and recommend an education policy for the Island for a 5 – 10 year timeframe and a plan for implementing any changes this policy would require.**

The full terms of reference for the review which were approved by Chief Pleas on 23<sup>rd</sup> August 2017 are available on the Chief Pleas website or you can pick up a copy from the Committee Office.

The reviewers will be visiting Sark from the **28<sup>th</sup> September to the 5<sup>th</sup> October** and it is really important that they hear the views of as many Sark people as possible. There are a number of ways you can get in touch with the reviewers :
