

# **MINUTES of the EXTRAORDINARY (SPECIAL) MEETING of CHIEF PLEAS**

**Held in The Assembly Room, Sark on 16<sup>th</sup> January 2015 at 10.00am**

**Present:** Sieur J.M. Beaumont OBE, Seigneur; Lt. Col. R.J. Guille MBE, President; J. Godwin, Deputy Prévôt; T.J. Hamon, Greffier; W. Kiernan FCA, Treasurer; G. Williams, Constable and P.S. La Trobe-Bateman, Vingtenier.

**28 Conseillers** were present (see attached list).

## **01 Opening Remarks**

0.1 **Miss Caroline Bell** – Statement made by the Seigneur.

*"You will be aware that Caroline Bell died shortly before Christmas.*

*There is to be a Memorial Service tomorrow at 11.30am at St. Peter's Church.*

*Caroline was a very private person who disliked fuss of any sort. I had a long letter telling me when and what to say to Chief Pleas which translated in short as no eulogy; so I will obey her wishes.*

*Over the years Caroline Bell worked hard for the Island in many ways and assisted behind the scenes on many an official visit. After inheriting L'Ecluse Tenement from her mother in 1992, she quickly became involved in work for Chief Pleas. She became President of Public Health, Sea Fisheries and the Pilotage Committees. In addition she became a Director of the Shipping Company.*

*She retired from political life when the Reform Law came into effect in 2009.*

*Caroline also agreed in 1992 to become my Deputy and represented me when absent until her unfortunate death last month".*

0.2 **Mrs Muriel Armorgie** – Statement made by the President.

*"She arrived in Sark in with her husband Frank in 1979 having bought Stock's Hotel; she stood as a Deputy of the People in December 1987. The first mention of her in Chief Pleas Minutes was in January 1990 when she co-proposed that a list of historical building be drawn up by an appropriate Committee; she was elected to the Tourism Committee in Jan 1990. Muriel also served on an Ad Hoc Committee dealing with shipping issues but I can find no record of any report coming to Chief Pleas from them (and they never seem to have been disbanded). Muriel also was the editor of a Sark Information Letter for several years and this was eventually taken over by Jennifer Cochrane, the forerunner to the Scribe and Sark Islander publications. Mrs Armorgie did not stand for office in the General Election in December 1999 and retired from public life and died in November".*

0.3 **Mrs Penny Prevel** – Statement made by the President.

*"She was an active Non-Chief Pleas Member of the Agriculture and Environment Committee being elected to that position by Chief Pleas in January 2013, dying in post in December. Penny was a committed environmentalist who brought her degree skills in Field Biology to the task of helping to preserve Sark's natural environment through being a member of La Société Sercquaise. For several years Penny was the only Tourist Officer and oversaw the move from the hut by the Bel Air to its current home; during her time in that role she instigated the very popular Sark Wild Flower Walks and, even though later on walking became a difficulty for her, she still took parties around and imparted her love of Sark and its flora and fauna to many visitors, she also started the very popular Bat Walks which hopefully will continue as a legacy to her enthusiasm of the environment".*

0.4 **Mr Dave Melling** – Statement made by the President.

*"He came to live in Sark during 1973 and was a long serving Deputy of the People and latterly a Conseiller who as you all know died towards the end of his current term of office; he had decided not to stand in December's elections. He first stood for office in December 1978 and was re-elected at every General Election thereafter, often near the top of the poll; a total of 36 years of political service. While a Deputy he also served as Vingtenier & Constable during the years 1980 to 1983; he joined the Public Health Committee in 1981 becoming its Chairman in 2000 until his illness late last year.*

*He was also on Road Traffic for many years and was at one time the Chairman; he served on Emergency Services and Tourism and was elected to the Douzaine in 1994, being Deputy Chairman for at least 12 years. His other main public service was the Ambulance Service which he joined in 1999 and of course he was a founding Trustee of The School and Community Centre Trust, and remained a Trustee until his death in December.*

*I can give no better tribute than to quote from some emails that I received after I had informed Conseillers of his death:*

- ❖ A fine man who will be sadly missed;*
- ❖ A great friend and fellow Buff, my heart goes out to his family;*
- ❖ Dave was a true friend of Sark;*
- ❖ A huge loss to Sark, I have worked both for and with Dave over the years and it has been an absolute pleasure to have known him. So sad;*
- ❖ Such a sad loss to the whole community, I miss him so much already, you lovely, lovely, man;*

- 0.4  
Cont.
- ❖ *Words cannot express how much sorrow losing Dave has been and will be in the future, a true Man of Sark we have much to be grateful to him he will be so missed; It is so sad, he was one of Sark's characters that will be sorely missed;*
  - ❖ *Dave was a good friend to all and especially of Sark. If he could help he would or find someone who could. We have lost a kind, loyal and true Man of Sark. He will be long missed and remembered;*
  - ❖ *Firm of heart and unstinting in the time he gave to the Island, Dave's integrity shone through. He will be much missed. Sark was lucky to have had him.*
  - ❖ *Dave Melling was a man of many skills who had lived a full life with its many ups and downs. Dave was always very kind and supportive to me over the past thirty odd years. When it came to the Celebration of the Sea which he loved his time and kindness and support was amazing. Which makes his passing even harder for those of us who knew him. Dave was due to receive our Simply Sark – Sark at Heart Award in January. Although his passing was quite quick he will be missed and thought of often. God Bless Dave and thanks for sending him to us”.*

**The Assembly stood for a period of silence in memory of those above.**

- 0.5 The President asked that Mr Lawrence de Carteret be remembered in our thoughts and prayers, Seneschal of Sark for many years, who remains seriously ill in hospital.

**By the invitation of the President, photographs of the new Assembly were taken.**

- 0.6 **New Conseillers** – Statement made by the Seigneur.  
*“Welcome to all the new and returning Conseillers. Thank you for standing to work on behalf of the Island and I hope you all find the work under the new system both interesting, rewarding and perhaps sometimes enjoyable”.*
- 0.7 **Deputy Seigneur** – Statement made by the Seigneur.  
*“I am pleased to announce that I have now appointed Dr. Richard Axton as my Deputy. Dr. Axton has, I believe a greater knowledge of Sark than any of us and I thank him for taking on this task”.*
- 0.8 **New Conseillers** – Statement made by the President.  
*“I also welcome Conseillers Mrs Elsie Courtney, Mr Colin Golds, Mr Charles Maitland, Mr Nicholas Moloney, Mrs Jane Norwich, Mr Roger Norwich, Mr William Raymond, Mr Arthur Rolfe and Mr Stephen Taylor to this their first Meeting and to thank them for putting their names forward for election. I would also welcome returning Conseillers Diane Baker, Edric Baker, Paul Burgess, Peter Byrne, Chris Nightingale, Helen Plummer and Tony Ventress who stood for election again. I urge all the new, returning and sitting Conseillers to continue to govern Sark for the benefit of all residents in our Island home and not be swayed from that course by outside pressure or by minority groups; you govern for the majority and for the good of Sark. One of Sark's strengths is that you govern by consensus of the majority of the residents and far reaching decisions on the Island's future should not be rushed and there have been instances in the last ten years where we have been, as a small community, bullied into doing things before we really wanted to. Please don't be rushed but consider carefully to ensure that the electorate's support has been obtained. I wish you well in this next term of parliament”.*
- 0.9 **Retiring Conseillers** – Statements made by the President.  
*“Mr Andrew Bache CMG, first stood for election in December 2010 and served a full term on GP&A; he also kept F&CC on their toes by much questioning during debate on budgets etc. He was quite frustrated, I felt, when Chief Pleas did not elect him to that Committee. However, that is political life; you don't always get what you want”.*
- 0.10 **Mr Dave Cocksedge** was the Vingtenier and Constable in 1994/5/6 and then stood for election in December 1996 and has been in this parliament for an unbroken 18 years and often topped the poll in elections; Dave served on many Committees but will be remembered best for his service, latterly as Chairman, on the Sea Fisheries Committee during all the negotiations into the Sea Fisheries Licensing regime for the Bailiwick's 12-mile limit and where he fought for the rights of Sark fishermen both now and for the future. He is much respected within the Bailiwick Sea Fisheries Commission and community further afield and deserves our thanks for his many years of public service to Sark”.
- 0.11 **Mr Andrew Cook**, was elected in 2008 and served on Harbours & Pilotage, Shipping, F&CC and GP&A, four very, very, busy Committees, where he has given unstintingly of his time. When he went onto Shipping it was at a difficult time, as the Spencer Report recommendations were being implemented and the Shipping Company was under huge pressure; latterly as Chairman of that Committee he has helped in no small way in turning the company's fortunes around”.
- 0.12 **Mr Stefan Gomoll** took his seat in Chief Pleas at Christmas 2002 after purchasing La Moinerie Tenement in 2001, he was one of a handful of Tenants who chose to stand as a Conseiller in the December 2008 election, during his time in Chief Pleas he sat on the Finance & Commerce Committees and GP&A until recently when he stood down from GP&A”.

- 0.13 *"Ms Jan Guy, was elected as a Deputy of the People in December 2005, serving on Education, Douzaine and Harbours (as Chairman) until her resignation in May 2007 on a matter of principle regarding the draft 2007 Reform Law. She was then elected as a Non-Chief Pleas Member on Education until standing in the 2008 General Election when she balloted a 2-year term, standing successfully in 2010 for a full term. Since 2009 she has served on Education, Harbours & Pilotage (as Chairman) and Shipping joining during 2012. Jan was also Vingtenier and Constable during the years 2002 to 2004".*
- 0.14 *"Ms Michelle Perrée stood for election in December 2008 and also balloted a 2-year term and served on Sea Fisheries, she stood successfully in the 2010 elections and retained her seat on Sea Fisheries and then was elected to Road Traffic in July 2012 (keeping Road Traffic very much on their toes) retaining both Committees until midnight last night".*
- 0.15 *"Mr Andrew Prevel was another candidate in the 2008 Elections balloting a 4-year term and served on the Douzaine, both Sub-Committees of the Douzaine and Harbours & Pilotage until his resignation in October last year, he resigned mostly in principle over the Declarations of Interest rules that had been approved at the Michaelmas Meeting but also at the way Chief Pleas was evolving. I was asked by his late Chairman of H&P to say: Though he was not a particularly verbal member of the Committee, Andrew's knowledge, memory and skills base were very valuable, particularly as far as the coast of the island and structures of the harbours are concerned. One of his outstanding moments was a visit to the harbour at 2.00 am or there about to do a temporary mend on a storm damaged step at the only appropriate state of the tide before the next boat was due. Andrew contributed to the work of the committee with skills that the other members did not have, allowing for a broader base of knowledge and understanding".*
- 0.16 *"On your behalf I thank them all for their service to Chief Pleas and the community. If any Members of Chief Pleas want to comment on the role of these retiring Conseillers on their Committee, please let him know before 5.00pm on Tuesday so that he can allow statements to be made at the beginning of the meeting at Christmas Chief Pleas".*
- 0.17 **Declaration of Interest Forms** – Statement made by the President.  
*"I would now wish to make some points about Declarations of Interest Forms; at the Michaelmas Meeting it was resolved that the Greffier would remind Conseillers each December to update their Declarations of Interest Forms and this the Greffier has done. However, I would wish to point out to you that Declarations of Interest are not just an annual issue but is something that can change at any time and Conseillers should notify changes to the Greffier as they occur and not await a reminder each December. I believe it would be sensible for the Rules to reflect that position rather than have an annual reminder and I would ask you to consider the view that I have just put forward. The Greffier has informed me that the majority of declaration forms are now in but there remain five outstanding and you have until Monday to get your forms into the Greffier"*

## **1 General Purposes & Advisory Committee Election to Committees**

- 1.1 Cottle The report sets out the process for the election to Committees. Just one thing to add to that, the last Committee on the agenda list (q), is not a standing Committee and will be appointed as a Policy Development Team.
- 1.2 President The report only came out yesterday; all should have copies of it now. It went on the website yesterday and the reason was that, with the restructuring of Committees and the meeting of Conseillers, it was decided not to write a report until the information was to hand. So the public will now know that all Conseillers and Conseillers Elect met as the Policy Development Group designate, to positively determine amongst themselves, who would be on what committee. To that end he had been provided with a list of Conseillers showing nominations to the two Policy Committees and all the Operational Committees. That list will be used to elect Conseillers onto Committees.  
 Any Conseiller who feels he has not been allocated to a committee of his personal choice or has been allocated to a committee on which he does not wish to be on, may nominate himself to a committee or alternatively remove their name from a committee, prior to any election.
- 1.3 Dunks Pointed out that, because the two Policy Committees each required 5 Members who cannot sit on any other committee, it has effectively left us with 18 Conseillers to cover 72 vacancies; if no election is taking place it is because we are lacking Members to fill seats by numbers not by any unwillingness.

- 1.4 President Read out the names of candidates for the Policy & Performance Committee – Fry, Maitland, Jane Norwich, Rolfe and Taylor.  
He invited any further nominations; there were none.  
On a vote the nominations presented were **CARRIED**.
- 1.5 President Read out the names of candidates for the Finance & Resources Committee – Burgess, Cottle, Dunks, Moloney and Raymond.  
He invited any further nominations; there were none.  
On a vote the nominations presented were **CARRIED**.
- 1.6 President He had a list before him indicating five candidates for all the operational committees with the exception of the Douzaine which has twelve Members. With the agreement the Assembly and on the basis that nobody wishes to move from the nominations already made, he proposed that all those committee be voted on mass.  
He provided the opportunity for a Conseiller to remove their name or add their name to another committee; there were none. He then read out each committee in turn and the candidate's names (see the list attached to these minutes).  
On a vote all the nominations presented for all committees were **CARRIED**.
- 1.7 President He thanked all the Conseillers who met on two occasions this week and last week to determine who was going onto each committee; it was a difficult task because, as Conseiller Dunks said, removing 10 Conseillers for the executive committees it left 18 Conseillers are spread over 72 vacancies which means that every Conseillers is required to have four committees. Some have three, some have four and some have five. For the public's benefit, that is not all the committees they will be on; there is the Sark Influenza Pandemic Committee which is filled by appointments from other committees. There is the current Policing Review Committee which is now a Policy Development Team and that has to be populated, and as new work streams come on and Policy Development Teams are formed from all 28 Conseillers. The public should appreciate that your Conseillers will be doing a great deal of work. All Conseillers are in the new Policy Development Group which will meet monthly from which new Policy Development Teams will be formed to take the work forward and ultimately bring to Chief Pleas for approval.
- 1.8 President He hoped very much that this Island will now be given some time to stabilise and concentrate on the important matters which effect Sark. We have been hounded for fifteen years to make changes. Some of those changes have been forced upon us and have since been proven in the Supreme Court in England to have been wrong. There are issues that will come up in the future where we will receive outside pressure to change. As Conseillers, you must look at the change being asked and say is this right for this small community.  
There is a lot of work to be done but he hoped very much that we can stop the constant changes that have been occurring over the last fifteen years.  
You have a new structure of committees; it has yet to be proven to work. It will work but it will require a lot of hard work to make it work and it needs to be given time to bed in.
- 1.9 President However the election to committees has shown people we have too many committee and there are already murmurings that maybe there needs to be some rationalisation of the committees that we have; but that is a matter for you, it is a matter for how you wish to take that forward.  
He wished everyone well over the next two years.
- 1.10 President As we know there was no election in December not that is not the fault of the people who stood for election. Those people stood for the benefit of Sark; those people who chose not to stand, and he gave out 31 or 32 nomination forms, but only 16 came back. People who for whatever reason decided not to stand, must examine their own consciences. There can be no fault laid at the 16 people who put their names forward to serve this community into the future and he thanked them for doing so.  
It is not the first time in Sark's history that there has not been a contested election and he hoped that in 2016 we will have a contested election.

## **0<sup>2</sup> Closing Remarks**

- 0.18 President Took this opportunity to thank Mr Brian Garrard for his years of taking Chief Pleas Minutes; he started in October 2006 taking over from Brenda Gurden; he actually sat in July 2006 and took the minutes whilst Brenda was the actual minute taker. At the end of the time when she compared his minutes to hers she said "I'll use yours!" He has taken 50 sessions of Chief Pleas' minutes over the years he has been doing it. This is the last occasion for him carrying out that task, of the drafting of the Decision Sheets and Minutes for my approval prior to publication, ably assisted in the past few years by Mrs Caroline Robins. When he came into the position of Committee Secretary life was much more simple with regard to the Minutes but as some people tried continually to criticise and find fault with all manner of things Chief Pleas, the requirement grew to produce more lengthy Minutes and it is to Brian's credit that now there are very few factual corrections required to the Minutes he produces. The President was sure we will all miss former Conseiller Guy's corrections to us.
- 0.19 President You will all be aware that with effect from the Christmas Meeting next week that the Greffier will take over all aspects of the recording of Chief Pleas, the production of a Resolution Sheet and the production of a Hansard type transcript. No longer will you be able to say that you did not say something or meant it to say something else, your words will be recorded as spoken, including I am afraid to say all the 'ums' and 'ers' that we all use in speech to gain thinking time.
- 0.20 President When Committee Chairmen and Deputy Chairman have been elected those appointments should be communicated to the President and the Committee Secretary so that the Committee List can be published ahead of the Meeting on the 21<sup>st</sup> January.

### **Next scheduled meeting of Chief Pleas Members**

**CHRISTMAS MEETING – Wednesday 21<sup>st</sup> JANUARY 2015 at 10.00am**

This meeting closed at 11.00am

Brian Garrard CMILT (Sark Committee Secretary) 16<sup>th</sup> January 2015

President of Chief Pleas

The Greffier

Finalised on 20<sup>th</sup> January 2015

The reports, to which these decisions refer, are shown in full on the website

**[www.gov.sark.gg](http://www.gov.sark.gg)**

and are also available from the Committee Office for a small charge per sheet.
