

PRESS RELEASE 18.3.14

Chief Pleas welcome the report on the working relationship between the UK government and the Crown Dependencies.

Where Sark has had explicit mention - we are pleased to note the UK government will come to Chief Pleas for clarification on our policies and mechanisms for dealing with any issues raised with them. We are also pleased the UK government and the Committee do not view any differences that may exist within the community as detracting from the good progress Chief Pleas had made so far in Securing Sark's Future or its ability to continue working in this way in the future.

And we look forward to welcoming Lord Faulks to Sark so he may experience this very special place.
