# **PUBLIC MEETING**

## **Consultation on Liquor Licensing**

The Liquor Licensing PDT was formalised in February 2015, working in response to concerns which were raised with Conseillers by members of the public. Our aim has been to promote a thorough consultation process, looking at the current licensing laws in their entirety, to include issues such as;

- Restrictions on the sale of alcohol on Sundays
- The sale of alcohol from shops
- Statutory and discretionary opening times
- Extensions
- Control of unsocial behaviour by the inebriated
- Licensees' responsibilities
- The role of the Constables, and the Sark Court
- A comparison of Sark's licensing laws to those in the other Channel Islands.

A public meeting to discuss the above will take place at

# **THE ISLAND HALL**

**Tuesday 9<sup>th</sup> February at 6.30 pm**

We hope to see as many of you there as possible.  
The Public Meeting will be followed up by a house to house  
questionnaire on Liquor Licensing later in that week.
