The Medical Officer has been advised by the Director of Public Health in Guernsey regarding the Wuhan Coronavirus (2019-nCoV)

It has been decided that any person showing **ANY** symptoms of

Breathlessness  
Cough  
Fever or  
Diarrhoea

**MUST NOT ATTEND THE SURGERY IN PERSON,  
BUT TELEPHONE FIRST.**

These symptoms will be triaged by Dr Gray on the phone, and she may then arrange a visit, rather than a surgery appointment.

This is a precautionary measure and not intended to cause alarm.

Further information will be available as soon as Public Health in Guernsey release this.
