# Special Constables

There is an opportunity to join the team of Sark's Special Constables.

Special Constables are residents of Sark who have volunteered to support the Constable and Vingtenier in their roles. One or more of the Special Constables may be called upon by the Constable or Vingtenier as and when needed. The Special Constables may assist in a whole variety of tasks such as searches for missing persons, prison watch for any detained person, attending functions such as royal visits, right up to a call-out to attend an ongoing incident. The total time needed to be committed to the role varies year on year, sometimes this may be nothing other than the annual training. Any time dedicated to the role of Special Constable is paid for by the Island.

Training and equipment for the role of Special Constable is provided. In addition to the annual training, occasional special training, such as general statement taking or custody training, is also provided. The next scheduled annual training, covering personal protection training and handcuff validation, is set for the weekend of 28<sup>th</sup> & 29<sup>th</sup> March.

If you are interested in becoming a Special Constable, or wish to know more, please contact Gemma in the Constables' Office.
